Change

Pop!

Small wriggly and green.

Hungry

Fresh leaves Infront of me

Chomp, chew, crunch, swallow

Power nap to charge my battery

Yum more leaves

Chomp, chew, crunch, swallow

Power nap to charge my battery

I'm hungry for even more leaves

Chomp, chew, crunch, swallow

I feel the biggest nap of my life coming

Make my bed with strands of silk

And sleep a couple days

Pop!

I'm free atlas!

A beautiful butterfly I am!
